

Boost Your Development Experience with UI5 Tooling Extensions

A Comprehensive Overview of the UI5 Tooling Ecosystem

Peter Muessig, SAP SE

June 5th, 2024

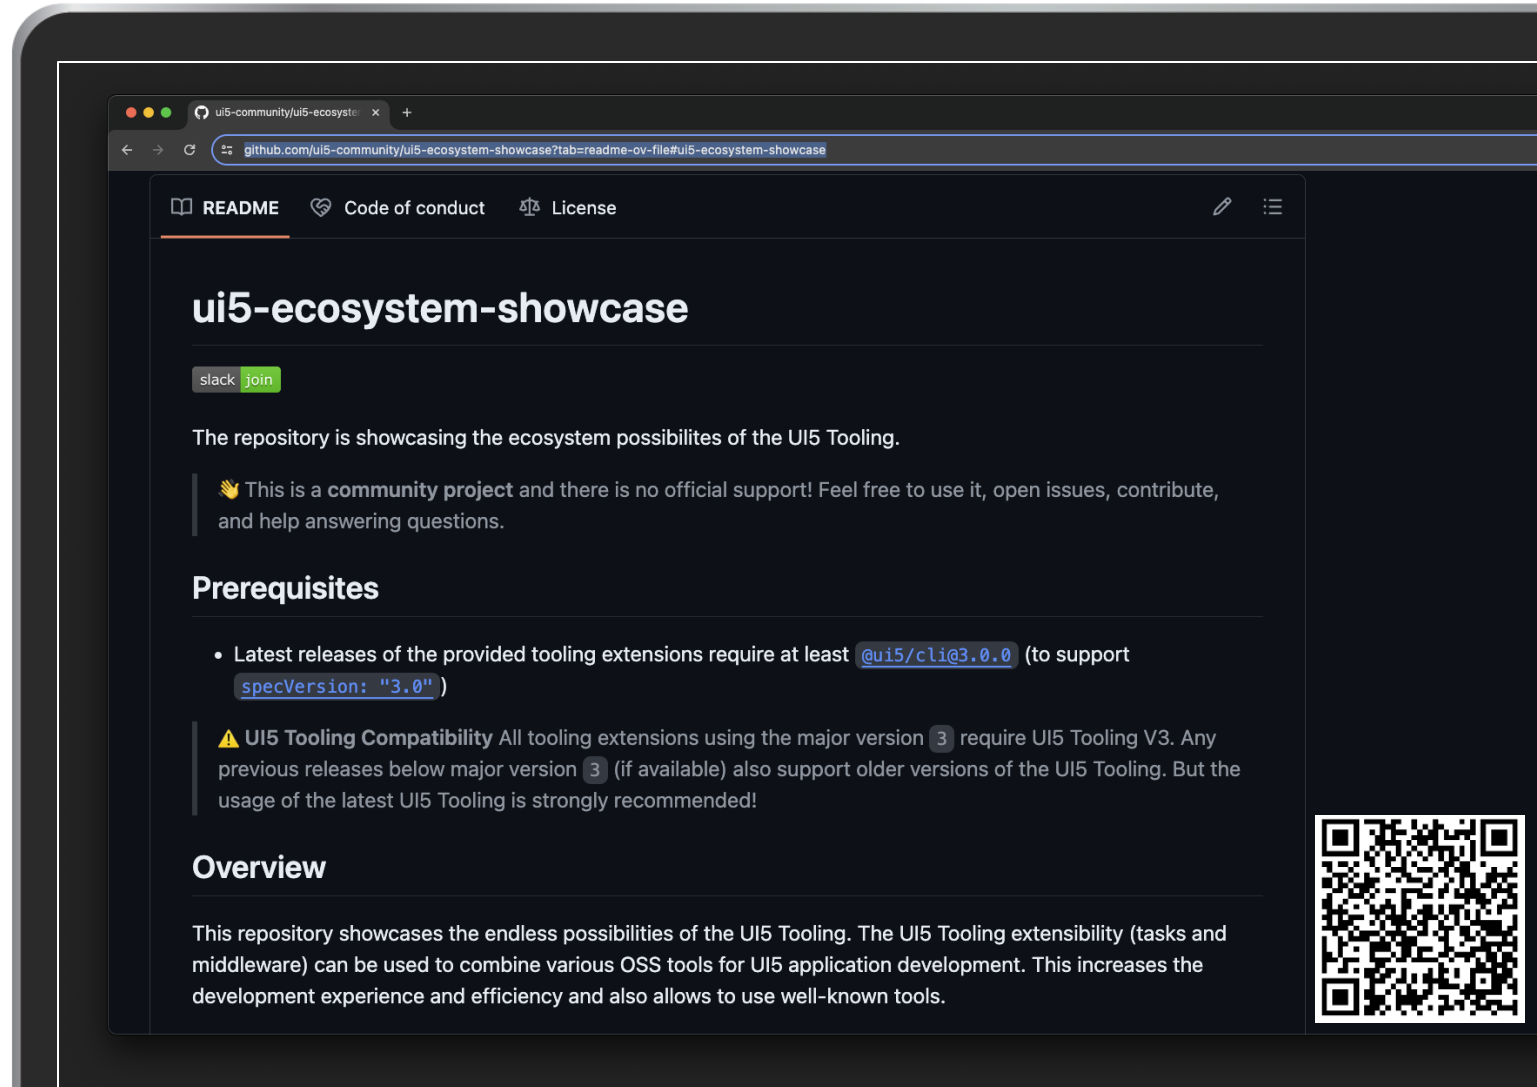

“There’s nothing more important than an efficient development environment!”

UI5 Ecosystem Showcase

UI5 Tooling Extensions and more...

- Started to show-case the simplicity to extend the UI5 Tooling (2018)
- Became the home of several UI5 Tooling extensions – thanks to all contributors!
- Additionally also provides other tools, such as a CDS Plugin to work seamless with UI5... (2023)
